Clan MacInnes Members
March 28, 2009

Fellow Members:

It is my sad duty to report the sudden passing of Mary Faulk, Clan Historian and Editor. She died on the morning of March 12. At her request her body was cremated and a memorial service will be held at a future date.

Mary was the last living founder of the Clan MacInnes Society and the "Tradition Bearer" for all things MacInnes. I can safely say that without her guidance and inspiration the International Association of Clan MacInnes would not exist today.

She was a dear personal friend to many and we will miss her wit and wisdom. Her standards were high and she was a pretty good judge of character. Mary would always expect the best from people and she usually got it.

If you would like to do something in Mary's memory the family has suggested that a donation to the International Association of Clan MacInnes would be appreciated. Please send it to the address below with a notation for the "Mary Faulk Memorial Fund."

Her passing leaves a huge void in our organization but I am sure she would want us to continue her work and carry out the mission of the Clan MacInnes Association. May she rest in peace,

Mise le meas,

Norman MacInnis
